## GIRLS V2 HELMET

Helmet Style No. 01073

\$199.95

Continuing our dedication to the female racing athlete, we introduce the all-new Girls V2. Utilizing key features from our revolutionary V-3, the V2 offers phenomenal features at an almost insanely reasonable price. Dual venting channels, real intake and exhaust vents, an integrated roost guard and hi-tech contoured shell make the V2 the class leader in women's helmets.

- Innovative cheek pad ventilation channels keep cheeks cooler & dry out quicker
- Innovative Dual Venting Channels create maximum airflow and cooling
- Anatomically shaped EPS foam inner liner for superior fit
- Aerocool comfort liner & cheek pads for superior fit & moisture control performance
- Fully removable and washable comfort liner and cheek pads
- Separate "rhinestone" sticker kit for girls colorway

Rhinestone sticker kit included

## GIRLS TRACER PRO HELMET

\$149.95

\$109.95

Helmet Style No. 01079

Youth Style No. 01080

The Girls Tracer Pro Helmet is a solid piece of racewear with a nice price. Stay unique with girls-specific graphics and color schemes that coordinate perfectly with our full line of girls 180 racepant patterns and HC Jersey prints.

- Polycarbonate outer shell is strong and light
- EPS foam inner shell has comfortable, anatomically correct shape
- Fully removable and washable comfort liner and cheek pads
- Adjustable intake vents open up for airflow or lock down to retain heat in cold conditions
- Integrated mouthpiece for enhanced airflow
- Aluminum visor hardware for easy adjustment
- Exceeds Snell 2005 and DOT standards

## GIRLS TRACKER BOOT

Boot Style No. 05022

\$139.95

As the solid foundation supporting our girls racewear collection, the Girls Tracker combines comfort and strength like no other. Recognizing your narrower foot width, smaller calf size and shorter lower-leg length, the tracker is truly built for you. There's less break in time, too. Thanks to a softer core material that lets you enjoy your ride sooner. You don't have a man's foot. Don't wear his boot.

- Exclusive girls chassis design for a gender-specific fit
- Anatomically contoured shin plate follows your every move
- Pivotlock® aluminum buckle system offers a simple and secure fit
- Leather burn guard minimizes heat while maximizing grip
- Pivoting buckle bases provide perfect alignment
- Tough rubber outsole initiates tremendous footpeg grip
- Rugged steel toecap
- Replacement soles, straps, buckles and toecaps are available

## GIRLS R3 ROOST DEFLECTOR

See Chart:

\$49.95 - \$89.95

Designing quality girls racewear takes more than decorating with pretty prints and soft colors. You demand technology built for you. And the Girls R3 is another example of our eight-year commitment to the woman racer. With specific shaping and contours for the female athlete, the Girls R3 gives you the protection everyone demands with the comfort you deserve.

- Adjustable shoulder straps afford a custom fit
- Lycra®-lined Biofoam padding for super comfort
- 40 vents ensure positive airflow

# ELITE

It's finally here. The girls elite line answers your demand for unique style and fit in premium race wear. Our world class designers built the elite line for the fastest females with the industry's most advanced techniques and materials. It's the best gear in the world for girls. And it's about time.

## GIRLS ELITE JERSEY

Jersey Style No. 02057

\$49.95

For our new Girls Elite performance jersey, we've taken the technology of our premium men's jerseys and injected it into a women's-specific framework. With ultra advanced multi-panel construction, race-form shaping and intelligent venting of premium materials, the Girls Elite Jersey is so far out front it's scary.

## GIRLS ELITE PANT

Pant Style No. 04160

\$149.95

Our Fox Girl's team has built the ultimate female race pant with the new Elite. Shaped to your specific riding form, designed with your unique sense of style and packed with the durability features you've wanted for so long, the Elite pant will be like no other girls pant you've tried.

### HOW THEY WORK

#### JERSEY

- 1 Ergonomic, pre-curved race construction for optimal fit in the Rider Attack Position (R.A.P.)
- 2 Moisture-wicking polyester main body keeps you dry
- 3 Pinhole mesh inside elbows offer upper-body airflow
- 4 Vented rear panel incorporates big-bore exhaust mesh
- 5 Multi-panel, padded elbows follow your every move

#### PANT

- 1 Girls specific ergonomic precurved race fit
- 2 Active-Stretch knee panels offer unrestricted fit over braces & guards
- 3 Stretch side spandex panels help pant move with the body
- 4 Stretch rear yoke
- 5 Heat & abrasion resistant leather inner knee panels

# HC:180

The modestly powerful and durable Girls Gear, the HC/180 combo sets have all the style and plenty of features for a day in the dunes or a session at the track. Three bold color combos and impressive graphics keep this gear ahead of the curve in price and performance.

## GIRLS HC | JERSEY

Jersey Style No. 02058	\$29.95
Youth Style No. 02064	\$24.95
Peewee Style No. 02063	\$19.95

Get the look that fits your style in a quality jersey that fits your body. New prints and colors in the HC line give you more options than ever before to stand out or blend in. Your body is different - your gear should be different too.

- Girls Specific Rider Attack Position (R.A.P.) construction for a high-performance fit
- Moisture-wicking polyester main body keeps you dry
- V-Neck, rib-knit neck band gives comfort and ventilation
- New Non Snag Micro-cuffs offer unrestricted wrist movement
- Fade-free, sublimated, dye-transfer graphics
- Drop-tail rear section with silicone print keeps jersey tucked in pant

## GIRLS 180 | PANT

Pant Style No. 04065	\$99.95
Youth Style No. 04067	\$79.95
Peewee Style No. 04166	\$49.95

Get ultimate coverage with the girls 180 pant. Designed with input from our Fox girl's team, the 180 pant gives you the same full performance as the men's 180 pant, yet is tailored specifically to fit the unique shape of a your body and colored to fit your style.

- Girls Specific Ergonomic, pre-curved race construction
- Stretch panels at knee, crotch, and lower back move with the body
- Heat and abrasion-resistant leather inner knee panel
- Double-needle stitching gives strength and durability
- Fly-Cam waist closure ensures positive engagement & bulletproof operation
- 3/4-length tricot mesh lining allows pant to move fluidly over rider
- Water-repellent main structure resists soaking and reduces staining
- Detachable hip pads provide additional coverage
